 Lock Box

Please take these instructions with you to Maui!

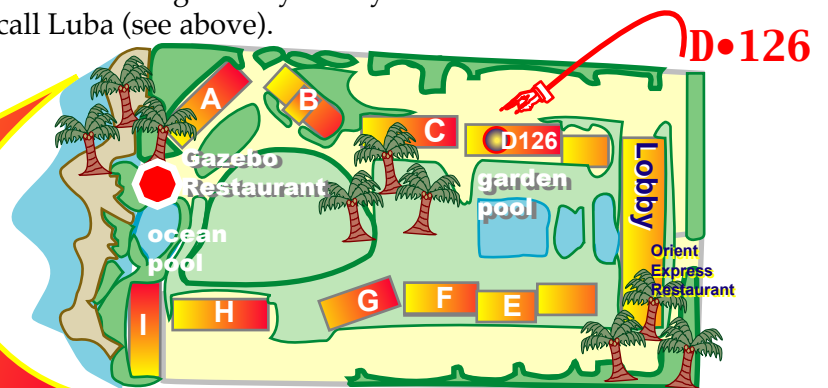

Leave the Kahului Airport and go South on 380 putting Kahului behind you. Look for the signs going to Lahaina. Once you make the turn to go to Lahaina stay on 30. The water will be to your left as you drive through Lahaina and past Kaanapali on your way to Napili Bay. Going up a long grade you will see the Napili Shopping Center on your left. Make your left at Napili Hau St, the road that goes between the shopping center and the church. Drive to the bottom of the hill at the stop sign you make a right onto Lower Honoapiilani Road. Stay on that little road until you see Napili Shores on your left. Turn left into the drive after you pass the main entrance and you are in the parking lot. D126 is about half way down on your left. You will see The Realtor's lock Box illustrated here On the door... it is NOT a lock that pulls down after entering the combination. It is a box that opens toward you when you press the black button downward. Enter the numbers press the black button down, and the box will open. Please leave the key in the lock box after opening the Studio. There are two keys on a key hook hanging on the wall as you enter.

Your phone number is 808-669-1819. If you need extra towels or bedding because they were not there, call Nancy on her cell phone at 298-9047.

There is no need to go to the main desk as it is ONLY for guests of Outrigger and you are OUR GUESTS. They know nothing about you as you are in our computer system ONLY. If you need assistance call Luba (see above).
