Please take these instructions with you !

Leave the Kahului Airport and go South on 380 putting Kahului behind you. Look for signs going to Lahaina. When you make the turn for Lahaina, keeping the new Aquarium on your left as you pass through Ma'alea Harbor, the water will be on your left all the way to Kaanapali Shores. Go thru Lahaina and past the Lahaina Post Office on your right and pass by the first three Kaanapali exits. You will see a large pink and white hotel on your left and a large sign on the right that says Honokowai to your left just before the traffic light at the Honokowai Shopping Center, make the left at the light. Aston Kaanapali Shores entrance is directly across from the shopping center.

Park in front and ask the attendant to assist you with your luggage. Tell him you are going to **Unit 605**. Gratuities are expected for this service. Upon arriving at the room you will see a Realtor's Lock Box like the one shown here on the right. Put in the combination XXXX by pressing the numbers in any order. Then push DOWN the Black button located at the Top Center of the device. The front piece will come out of the mount and reveal the key on the inside. Use the key inside to open the dead bolt on the door. Put the key back into the lock box and replace it on the door. You will find two keys hanging on the inside of the Unit for your daily use. Your hotel phone number is 808-667-2211 ext. 7605. Now you can go and Register at the Main Desk and tell them you are staying in Unit C605 and they will make your parking arrangements and set up your phone. There is a phone in the room provided by the hotel and each call in or out will cost .95 minimum per call. Need linens or something isn't correct in the room, call our cleaning staff - Nancy at 298-9047.
