Go thru Lahaina and past the Lahaina Post Office on your right and pass by the first three Kaanapali exits. You will see a large pink and white hotel on your left and a large sign on the right that says Honokowai to your left just before the traffic light at the Honokowai Shopping Center, make the left at the light. You will see and pass the Embassy and Aston Kaanapali Shores. Keep going till you see another little shopping center on your right and on your left will be the entrance to Paki Maui as indicated in the map below.
